

# Exwick, Alphinbrook & Trews Weir

Joint Renewal and Concrete Repairs

**Project:** Exwick, Alphinbrook & Trews Weir

**Client:** The Environment Agency

Joint Renewal and Concrete Repairs

**Main Contractor:** May Gurney

**Date:** June 2012

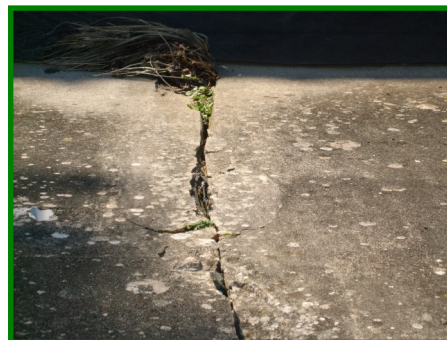

## *The Problem*

Following one of the Environment Agency's regular flood defence inspections, remedial works to Exwick's radial gates, Alphinbrook, Trews Weir and Severn Beach steps were identified.

## *The Solution*

May Gurney were called in to manage the project and drafted in South West Concrete Repairs Ltd to carry out the various remedial works required. The works involved; concrete repairs to channel walls to the top of Trews Weir and other isolated areas.
